PUBLICATIONS

ISSUED BY THE CHAS. H. LILLY CO.

LILLY'S ANNUAL SEED CATALOG.

Contains a complete list and description of Vegetable, Flower, Grass and Field Seeds; also a more or less condensed list of all other goods handled by us, including Spray Machinery, Spray Materials, Fertilizers, Garden Cultivators and Drills, Stock and Poultry Foods and Remedies, Poultry Supplies, Bee Supplies, etc. Issued about the first of February each year. If you are not on our mailing list, write for a copy.

LILLY'S POULTRY BOOK.

Full of useful and reliable information for both the amateur and professional poultryman; also a catalog of our complete line of Poultry Foods and Supplies, Incubators, Brooders, Bone Cutters, Food and Water Vessels; in fact, everything required in the up-to-date poultry yard, including Baby Chicks. Issued as frequently as is necessary to keep in advance of the rapidly growing poultry industry. If you have not a late issue, write for a copy.

LILLY'S BEE SUPPLIES CATALOG.

Contains a complete list and description of the celebrated Lewis Bee Supplies, for which we are exclusive Pacific Coast agents. It also contains considerable information which will be helpful to those intending to handle bees. If you are interested in the subject we will be glad to mail you a copy.

LILLY'S SPRAY BOOK.

Besides containing a list of all Spray Materials and Machinery handled by us, it also gives descriptions and habits of all insect pests and fungus diseases common in this vicinity, and in such a manner that the ordinary person can decide what pests are causing him trouble, and what to do to eliminate them.

LILLY'S FERTILIZER BOOK.

Farmers and gardeners in this section are just beginning to realize that the fertilizer question is a very important one to them, and this little book is intended to assist them in deciding what is needed to produce greater profits in their business. It is not simply a catalog of commercial fertilizers; it is worth asking for.

LILLY'S CROP BOOK.

Unlike the other publications issued by us, this book is not given away free, neither is it for sale at any price. We give it with any order for LILLY'S Seeds, or any other goods listed in any of our catalogs, regardless of amount, provided it is asked for with the order. It is compiled from Government Bulletins and other reliable sources of information and also contains many articles written especially for us by men who are experts on the subjects handled, including cultural directions for all the common vegetables, flowers and farm crops.

BRANCH AT PORTLAND, ORE.

January 1st 1913 TRADE PRICE LIST

We handle absolutely nothing that we do not believe to be the best obtainable. Our unequalled advantages for the production of the best seeds enable us to offer them to our customers at the lowest prices for which well grown and selected seeds true to name can be furnished. We do not claim to compete in prices with irresponsible and haphazard growers and dealers whose sole effort is to secure the lowest priced seeds regardless of quality; such seeds are not cheap, but dear at any price.

Cheap goods in our line should be absolutely shunned by all dealers who want to supply seeds that will satisfy and make money for the planters and gardeners who trust them with their orders. Our seeds have behind them a history of constant success on the Pacific Coast and we continue to affirm—

THE BEST IS ALWAYS THE CHEAPEST.

We are not bound for any definite time or quantity by these prices and they are subject to advance without notice.

NO CHARGE FOR PACKING OR CARTAGE.—After delivering to forwarders in good order (as shown by Bill of Lading) our responsibility ceases.

THE CHAS. H. LILLY CO. give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs or plants they send out, and they will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

We Will Send You These Cuts Free.
